## WE'RE MOVING AGAIN

Well I guess this is good news.....it means we continue to grow. We are moving on July 8, 2011 from Suite C to Suite A. We will also have a new fax number. The updated information is listed to the left.

## THE ROAD THAT **MUST** BE TRAVELED

We have all heard of the road less traveled but do we all know the road that must be traveled?

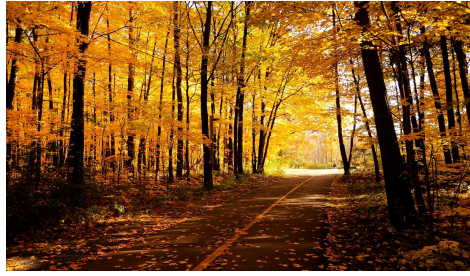

As we hire new college graduates and summer interns, we will be the ones that they look to help guide them through the maze of corporate offices and the roads to success. They will learn their diligence, dedication and unflappable work ethic from us. They will look to see how we manage our own work-life balances as we maintain a healthy home life while remaining productive, effective and content at work and at home.

Unfortunately, some of us have forgotten that life is a journey with many roads to travel and many miles to go.

Sometimes we will need to get off the work highway to enjoy the road that goes through the woods, thus allowing us to enjoy beauty of nature and the gifts we have been given.

The greatest gift I've been blessed with is my family, and while I can't speak for anyone else, I will assume that each of your families rank right up there with mine.

Unfortunately, many of us take these wondrous gifts for granted

and assume that they will be at the end of the road when we finally get there. We speed past the wonder of our babies' first steps, our sons' little league games, our daughters' dance recitals and family gatherings. We do this under the misguided notion that we have to forego these things if we are to get ahead and be successful. We make these sacrifices only to find out that we are dispensable and find ourselves out when corporate profits fall. We finally realize that ultimately we can or have found other jobs but we can't get that lost valuable family time back.

As we are mentoring our young workers, we need to make sure that while we are expecting their best and their dedication, they should not forget the road that must be traveled. They will only be their best, their most creative and motivated if they have a work-life balance. I know I preach this all the time and I know you may be tired of me saying it but a healthy work-life balance **IS** THE ROAD THAT MUST BE TRAVELED.

## CURRENT EVENTS

AMS is either sponsoring or participating in a couple of upcoming events:

### SUMMER NIGHTS

We are co-sponsoring a Summer Nights event on July 22, 2011 from 6:00 PM – 8:00 PM for the residents of the condominium in which our offices are located. There will be food, music, door prizes and lots of fun. If you happen to be in the area on that evening, just give us a call...we would love to see you.

### A NIGHT WITH SINBAD

AMS is having our first annual fundraiser on September 24, 2011. We will be selling tickets to see Sinbad, one of the cleanest but funniest comedians around (you may remember him from the hit television show, A Different World). The show begins at 8:00 PM and tickets are \$52.00 each. We will also be enjoying a pre-show reception for those who are interested. The additional price for the show and the reception is \$75.00.

If you are interested in enjoying an evening of fun with us, you can purchase tickets by mailing us a check to our address or you can purchase your tickets online at [https://www.paypal.com/cgi-bin/webscr?cmd=s-xclick&hosted\\_button\\_id=4JNAFM7TBEAYE](https://www.paypal.com/cgi-bin/webscr?cmd=s-xclick&hosted_button_id=4JNAFM7TBEAYE) (show only) or [https://www.paypal.com/cgi-bin/webscr?cmd=s-xclick&hosted\\_button\\_id=XVTM3L9DEGKUN](https://www.paypal.com/cgi-bin/webscr?cmd=s-xclick&hosted_button_id=XVTM3L9DEGKUN) (show and reception)

Tickets must be purchased no later than July 31, 2011. Tickets will be mailed to you no later than August 30, 2011.

If you are in the Philadelphia area, we would be thrilled if you would join us.

### THANK YOU VERY MUCH!!!

As always, I thank our clients and customers for continued business and support. I also thank my workers and caregivers for providing services to my clients with love, care, dignity and compassion. Last (BUT ABSOLUTELY NOT LEAST), I thank my family and friends for their eternal love, support and encouragement.

I realize that you can go anywhere for the services you get from us and we are **HONORED and HUMBLLED** that you have chosen to work with us. We will continue to work to provide you with the best services.

## FRIENDS HELPING FRIENDS

You may recall that we made a plea for assistance from our friends so that we can continue to provide discounted services to those potential home care clients that need financial assistance. To the few of you who contributed funds, THANK YOU VERY MUCH. For those of you who may have meant to contribute (but just didn't get around to it yet), it is never too late. If you still wish to contribute, you may do so by mailing a check to Arrington Management Services, Inc., 3900 Ford Road, Suite A, Philadelphia, PA 19131. You may also make your contribution online by clicking on the following link:

We are NOT A non-profit agency. However, we would still like to be able to provide the highest quality services at the lowest prices possible to **ALL** clients wanting and needing services, regardless of the client's (or his/her family's) socio-economic standing. Please note that for every \$100 we receive, we can provide 15 hours of service to a client at a significant discount (approximately 52%).

If you need more information on this, I invite you to review our previous newsletter which can be found at [www.arringtonmanagementservices.com/newsletters](http://www.arringtonmanagementservices.com/newsletters).

On behalf of the many clients you will be helping, I am thanking you in advance for your kindness, compassion and generosity.

WELL THAT IS ALL I HAVE FOR THIS EDITION. AGAIN, THANK YOU. For more information on anything you have seen in this newsletter or to check out previous newsletters, please visit
